IMPORTANT NOTICE TO ALL ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Show Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing animals at Shows, we understand that it costs very little or nothing at all, depending on whom you have Insurance cover with.

If you are one of the few who don't have cover we would advise that you think about putting it in place for this purpose, it may be well worthwhile.

The reason for us giving you this advice is that if your animal lashed out & injured someone or damaged someone's property & it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, you may end up paying all, or part of any settlement reached.

KIND SPONSORS OF OUR CAKES SECTION

CLASS 91 – SHAMROCK BOILED FRUIT CAKE.

Ingredients: (Imperial/Metric)

16oz/450g Shamrock Plain Flour

6 oz/170g Shamrock Dark Muscovado Sugar

4 oz/120g Shamrock Mixed Peel

6 oz/170g Shamrock Sultanas

3 oz/75g margarine

10fl oz/300ml water

½ teaspoon mixed spice

½ teaspoon ground cloves

1 teaspoon Shamrock Bread Soda

2 teaspoons of vinegar

Preparation: Preheat oven 170°C/325°F/Gas Mark 3.

Method: Mix the sultanas, mixed peel (chop finely), sugar & margarine into a saucepan with the water, mixed spice & ground cloves. Stir & bring to the boil over a

Show Day – Saturday 23rd August

Last Entries – Friday 15th August

medium heat. When the sugar is dissolved & the margarine is melted, allow the saucepan to boil up gently for five minutes. Set aside & allow to cool until the mixture is just warm. At this stage, stir in the flour.

(There is no need to turn the mixture into a bowl as the saucepan in which the fruit has been cooked can be used & save cleaning up).

When this is well mixed, stir in the vinegar & lastly the bread soda dissolved in a dessert spoon of warm water. Stir well but gently, to mix all the ingredients together. Turn into a lined 9" tin.

To Cook: Bake for 1½ - 1¾ hours or until a clean metal skewer or knitting needle when inserted into the centre comes out dry & clean. Leave the cake in the tin for at least five minutes to settle & then turn out.

To Serve: Store for a week or so if possible before cutting. The advantage of this cake over other cakes is it saves on baking time because the fruit is partially cooked in the saucepan before you mix in the flour.

Additional Info: You can make this recipe to a larger quantity, half as much again using a 10" to 11" tin. If so allow a further 25 minutes baking time & test before you take it from the oven by testing in the usual way. When making the larger size, be sure to measure the water allowance accurately.

2. Place all the ingredients together in a mixing bowl & beat with a wooden spoon until well mixed (2-3 minutes)
3. Place the mixture in the prepared tin & smooth the top
4. Arrange the walnut halves or whole almonds & the half Cherries on the top.
5. Bake in the pre-heated oven on the middle shelf for 1 ½ - 1 ¾ hours.
6. Test (see below) & remove from the oven when baked.
7. Leave in the tin for 10 minutes, then turn out, remove the paper & cool on a wire tray. Store in an airtight tin.

**Show Day – Saturday 23<sup>rd</sup> August**

**Last Entries – Friday 15<sup>th</sup> August**

**To Test the Shamrock Harvest Fruit Loaf:** Press the top of the Cake lightly with the fingers - it should feel firm. Thrust a clean, warm skewer into the middle of the cake, if it comes out clean, with no uncooked mixture clinging to it, the cake is ready.
